Re: Petition To Withdraw Holding of Abandonment

Dear Sir,

Applicants received a Notice of Abandonment, dated June 27, 2003, for Application No. 10/063,892 due to Applicant's failure to timely pay the required issue fee within the statutory period. In response, Applicants would like to file a Petition to Withdraw Holding of Abandonment under 37 CFR § 1.181.

The Fee transmittals together with the Credit Card Payment Forms for Issue Fee for the above-mentioned application and two other applications (Application No. 10/064,267 and Application No. 10/064,382) were mailed together to the USPTO via UPS on April 29, 2003 and received on time by the USPTO prior to the due dates. Enclosed is a copy of the UPS delivery notification, indicating

BEST AVAILABLE COPY

the parcel, which contained the issue fee payments for the above mentioned applications, was delivered to the USPTO at 9:34 AM on April 30, 2003 and signed by Mr. Brown. However, the prepaid return postcards for all three applications indicated that the parcel was not directed to the proper office until May 22, 2003. As a result, the issue fees for the three applications were not charged on time. Although the Notices of Abandonment have not yet been received for Application 10/064,267 and for Application 10/064,382, the File Content History indicates that all three applications were deemed abandoned.

We believe the delay of the parcel to the appropriate office was possibly due to the address change of the PTO during that period of time, which was between April and May. Since diligent effort was made to duly pay the issue fees, we hereby request a withdrawal of the holding of abandonment for the three applications.

Enclosed herewith please find the following documents for your reference:

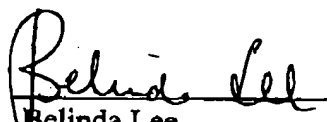

- (x) Transmittal letter
- (x) Issue Fee transmittal for Application No. 10/063,892

Respectfully Submitted,
